

PCB Train Email Quotation #35545

From PCBTrain <pcbtrain@newburyelectronics.co.uk>
 Date Tue 2026-09-29 4:44 PM
 To David Cussans <David.Cussans@bristol.ac.uk>

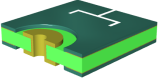

Sir/Madam David Cussans,

PCB Train offer the following quotation for the fabrication of your PCBs.

Quotation # : 35545	Date : 29 Sep 2026
Customer Name : David Cussans	Customer E-mail : David.Cussans@bristol.ac.uk
Customer Telephone : 01179546879	Customer Address :

If you intend to order Assembly with Newbury Electronics Ltd please inform us immediately as this PCB must be manufactured in a panel.

YOUR QUOTATION DETAILS - PCB Fabrication

	2 layer FR4 (150 deg C) middle Tg 1.0mm ENIG Green White			
	Product Family :	2 layer	Service :	Standard
	Copper Weight :	35	Material :	FR4
	Thickness :	1.0mm	Finish :	ENIG
	Circuit Size X :	46 mm	Solder Resist :	Green
	Circuit Size Y :	12 mm	Legend :	White
	IPC Class :	Class 1		
	Circuit quantity:	2	Lot Price:	£ 144.88
	Delivery W/days:	10	Unit Price:	£ 72.44
	Your PCB Reference : pc080_sfp_plug			

Price Detail (Lot Price)

W/Days	1 Qty	2 Qty	3 Qty	4 Qty	5 Qty
3	£ 271.91	£ 280.44	£ 288.99	£ 297.52	£ 306.05
4	£ 221.15	£ 228.60	£ 236.04	£ 243.48	£ 250.90

W/Days	1 Qty	2 Qty	3 Qty	4 Qty	5 Qty
5	£ 185.39	£ 191.74	£ 198.09	£ 204.44	£ 210.80
7	£ 152.09	£ 158.00	£ 163.92	£ 169.84	£ 175.75
10	£ 139.64	£ 144.88	£ 150.15	£ 155.40	£ 160.65
15	£ 118.88	£ 123.04	£ 127.20	£ 131.36	£ 135.50

Price Detail (Unit Price)

W/Days	1 Qty	2 Qty	3 Qty	4 Qty	5 Qty
3	£ 271.91	£ 140.22	£ 96.33	£ 74.38	£ 61.21
4	£ 221.15	£ 114.30	£ 78.68	£ 60.87	£ 50.18
5	£ 185.39	£ 95.87	£ 66.03	£ 51.11	£ 42.16
7	£ 152.09	£ 79.00	£ 54.64	£ 42.46	£ 35.15
10	£ 139.64	£ 72.44	£ 50.05	£ 38.85	£ 32.13
15	£ 118.88	£ 61.52	£ 42.40	£ 32.84	£ 27.10

Summary of terms:

PCB Fabrication

The above quotation is offered prior to examination of your data. Occasionally, after review of your submitted data by our CAM department, we may have to revise our quotation.

We recommend that you place your order online. This ensures all the information we require is presented to us in one document. If your order is placed by email, attach a copy of our online quote or confirm the exact PCB Train service and the panelisation (if any) required.

PCB Train Express services, 1 working day turnaround (2 layer) & 2 working day turnaround (4 layer), start every working day.

Deliveries for 4 working day (WD) and less are premium deliveries and start every working day from 9.00 AM after receipt of order.

Deliveries of 5 working days and more are scheduled deliveries and start on the time-tabled working days at 9.00 AM.

PCB TRAIN EXPRESS SERVICES

Data must be received before 9.00am on a working day.

We will ship 2 layer pcbs by close of business the same working day, 4 layer pcb will be shipped by close of business the next working day.

Express Laser Stencil Service

Express stencils are shipped on the next working day following the working day of order placement. Express laser stencils are suitable for all component pitches down to 0.4mm (0.016") and all discrete components down to 0201s.

The profile of the Express laser stencil is cut to the size of your pcb with the addition of a plain border of minimum 10 mm on all sides. Note that all Express stencils are of the foil type. It is assumed that if any paste data files are supplied, they will describe paste features 1:1 from your pcb layout data.

Express laser stencils will be cut with feature reductions of 5% from your pcb layout data. If top and bottom stencils are required, request 2 stencils on the order form and pay the lot price for 2 stencils as quoted. Your stencil must be for a pcb no greater than 330mm x 230mm overall and your stencil must contain under 1500 pads.

If your pcb has been ordered in a standard pcbtrain step & repeated panel, then we will step single image paste data to the same pitch. We guarantee that the stencil will register perfectly with your PCB panel. When ordering such stencils, enter the overall "x" and "y" dimensions of the step & repeated panel in the Express stencil price calculator.

TERMS

UK Value Added Tax (VAT) is additional if applicable.

The despatch date is the shipment date from our factory, and allow appropriate transit time before arrival at your premises.

The standard next day before 6pm delivery charge to the UK mainland is £10.00 plus VAT.

For other delivery destinations, view "carriage charges" at <https://www.pcbtrain.co.uk/quick-online-quote/shipping-charges>

Unless confirmed otherwise by us in writing, the relevant multi-layer construction applicable to this quote will be a standard construction as shown at <https://www.newburyelectronics.co.uk/pcb-fabrication/multi-layer-build/>

Goods and services are supplied on the basis of our standard terms and conditions available on request, and viewable at <https://www.newburyelectronics.co.uk/terms/>

This quotation is valid for 30 days. Errors and omissions excepted.

All goods remain the property of Newbury Electronics Ltd. until paid in full.

We are ISO 9001 approved certificate no. FM24949.

Please look at our website www.pcbtrain.co.uk for more information

We also supply all types of pcbs in volume and assemble pcbs in prototype and production quantities.

We process a wide variety of alternative laminate types. Ask us to quote.

Best regards,
Sales Department
